- Committee members agreed that their priorities for the running of the club in the current season included to improve communication within the club, to intensify the social life in the club and to build on the successful foundations for the organisation of the team competition and the selection of teams and captains that was put in place by Susanne and the previous committee in the past season.
- In his function as communications and social secretary, Arne has agreed to send out regular information bulletins to the members in order to increase awareness of current club affairs and ensure a better feeling of “ownership” and “belonging” among the members. This could take the shape of a regular (monthly?) newsletter.

  - Gunnar to confirm provisional booking of the hall (10-19h), Arne to send the invitations
- Next Committee meeting: 18 Oct, 10.15pm
